New News!

We have a Fun Fly scheduled! Saturday August 30th, 2025

Our first Peterson field open FUN FLY for both public and other clubs to come join us, as well as just have some plane fun.

The public is always welcome to come but this is a chance to send invitations and really show them everything we have to offer for fun and excitement.

There will be at least one trainer on hand for buddy boxing, food served for a small charge to support the club, and a couple TBD short competitions.

A 50/50 will also take place! Proceeds will go to the club.

Starts at 9:00AM and run until at least 2:00PM
Rain date Aug 31, same time of day.

I know this is Labor Day weekend but it was the best time we could find to have one between the officer's schedules. Hopefully we can get lots of folks on board and attending so spread the word however you can! A flyer to share will be provided and posted on our Facebook page and attached to this Email.

Old News

Last month's meeting took place and for those who couldn't attend here's a breakdown.

- **Treasurer's report:** \$4,794.38 in the bank account.
- **Dragway report:** not much use but still active and available when activity at the track allows it (weekdays currently)
- **Petersons report:** Mowing records looking to be kept track of to see who has done it/ if it needs to be done. Being coordinated through the few who have been maintaining it (THANK YOU)
- **Indoor flying** is being put on hold until fall when we will resume and there is more of a need for it.
- **Changes in the bylaws** made and voted into effect, can be seen on the website under club bylaws in the drop down menu.

What is the Outreach Team Doing?

The AMA District 1 Outreach Team (ADOT) Attended two events this year so far, poor weather and some changes in events have made it hard to schedule as many as last year but there's still plenty left on the agenda!

PEASE- Thunder Over New Hampshire Airshow is the next one. We are still trying to secure pre-screening forms for easy entry but if you'd like to attend it is open to all AMA members and friends and family who are willing to volunteer. It begins Sept. 5th for set up and the show itself is Sept 6th and 7th. Gates open at

10:00AM, we arrive by 9:00AM latest to prepare. Shows end at 4:00PM after the Blue Angels. Early departures are possible but hoping people can stay for most of it in order to rotate duties and allow for breaks! Even one day would be a huge help so all who wish to come please contact Doug or Wayne for more information and details on what you can do to help. Everyone is welcome! Please let me know so I can get you a form and add you to the list!
